To whom may it concern,

Subject: Recommendation letter for Kinga Witajewska

On behalf of Toshiba Europe GmbH, I hereby confirm with pleasure that Mrs. Kinga Witajewska cooperated and supported us with her legal and administrative expertise for the public procurements carried out by the Polish Postal Organization, and the National Bank of Poland.

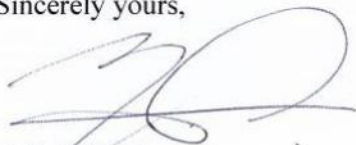

In both tenders, Mrs. Kinga was responsible for supporting us legally and administratively in the participation of public procurements in Poland, which was a new market to us at the time. Her vast responsibilities included, among others, analysis of the tender documentation and contract drafts, and specifying to us the potential risks within, as well as advising us on the necessary administrative documents to be prepared for Toshiba Europe GmbH and adapting these to the requirements of the relevant Polish laws. Mrs. Kinga also, helped us in preparing the final bidding documentation, as well as any written statements during the proceedings. She also helped us in verifying and evaluating the offers of our competitors in the tender, along with preparing formal and legal grounds for appeal against the procedures.

Mrs. Kinga showed great professionalism and expertise, in her work with us, as well as good communication skills by cooperating with my colleagues in Germany and Japan. I would also like to mention that Mrs. Kinga is a very pleasant person to work with, and my colleagues and I very much enjoyed working with her. She was very helpful to us many times, navigating us through the nuances of the Polish public procurement laws and was a great support to us throughout the entire process. I recommend with pleasure, Mrs. Kinga as a reliable partner, and encourage your collaboration with her.
